Sixty seven

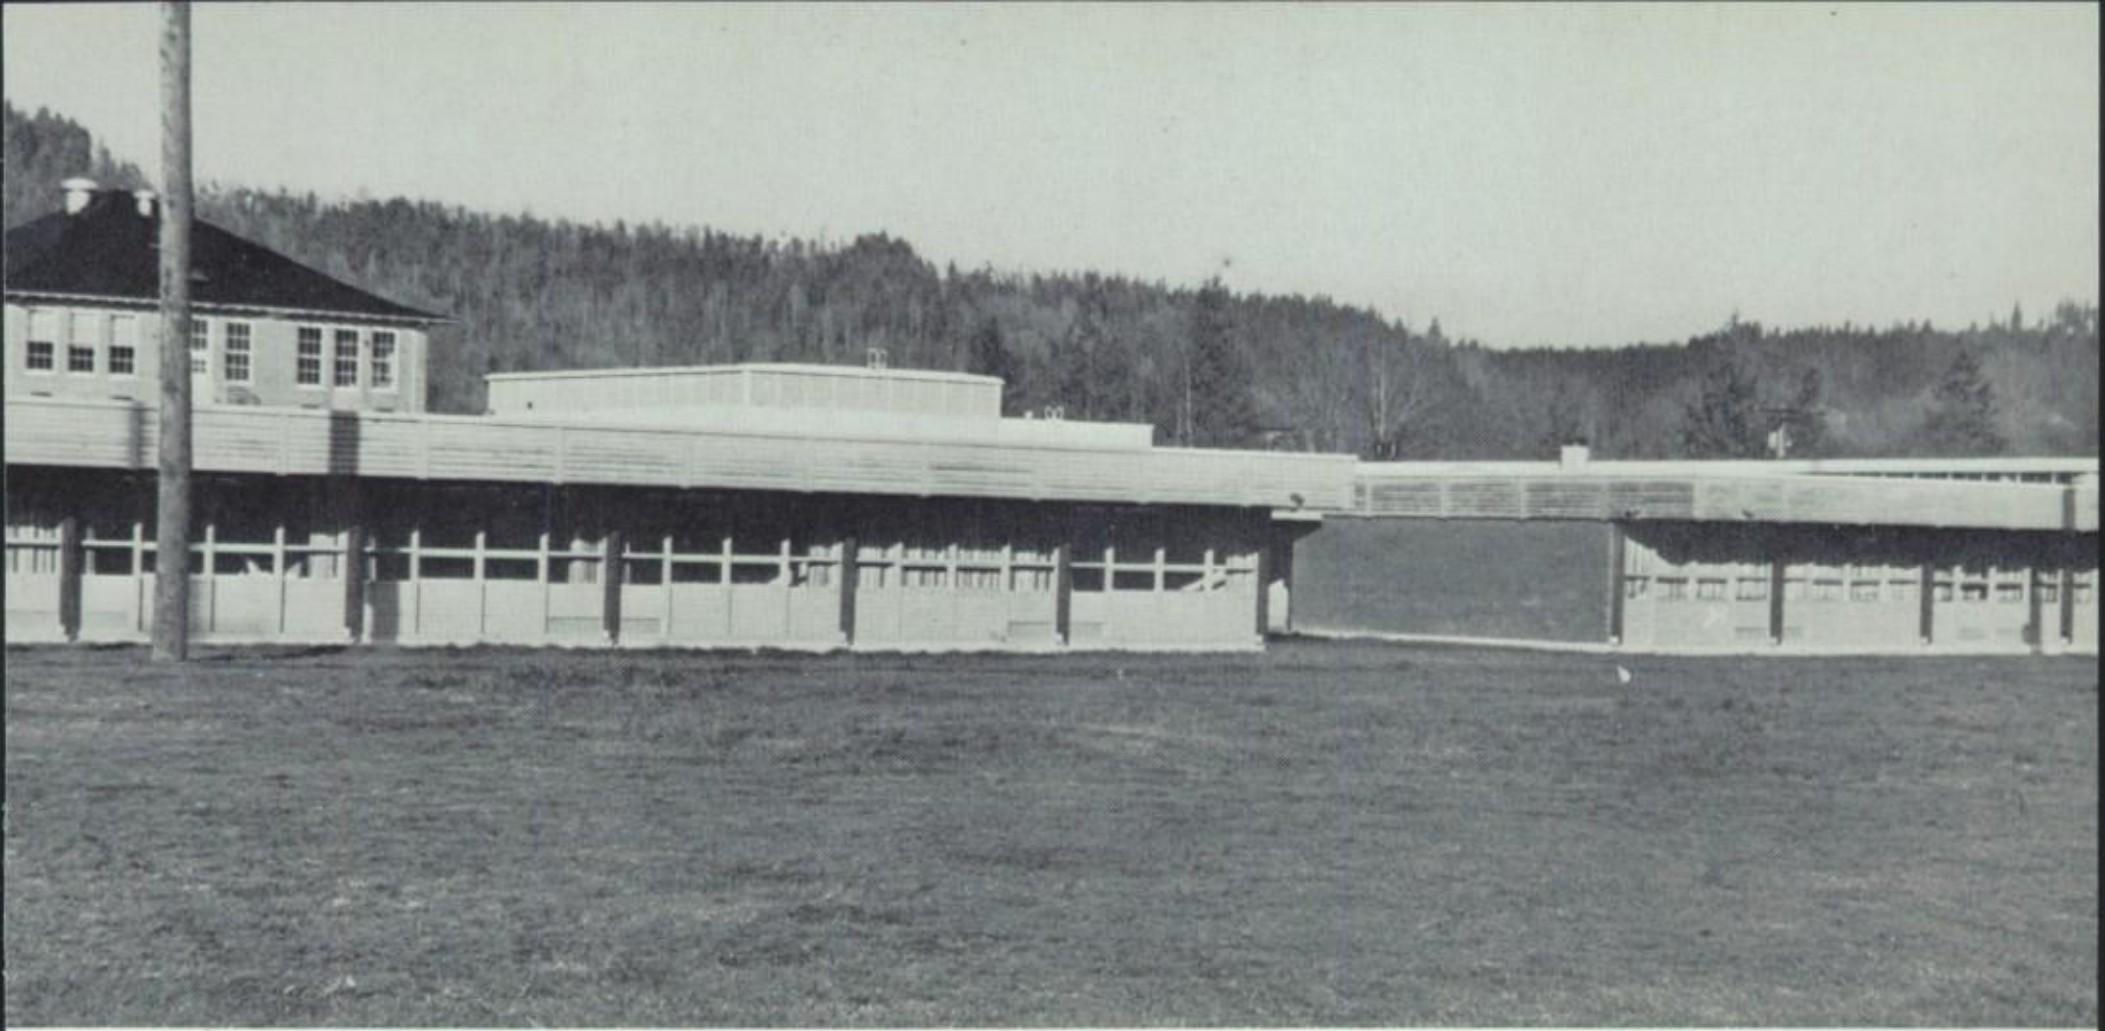

Larson

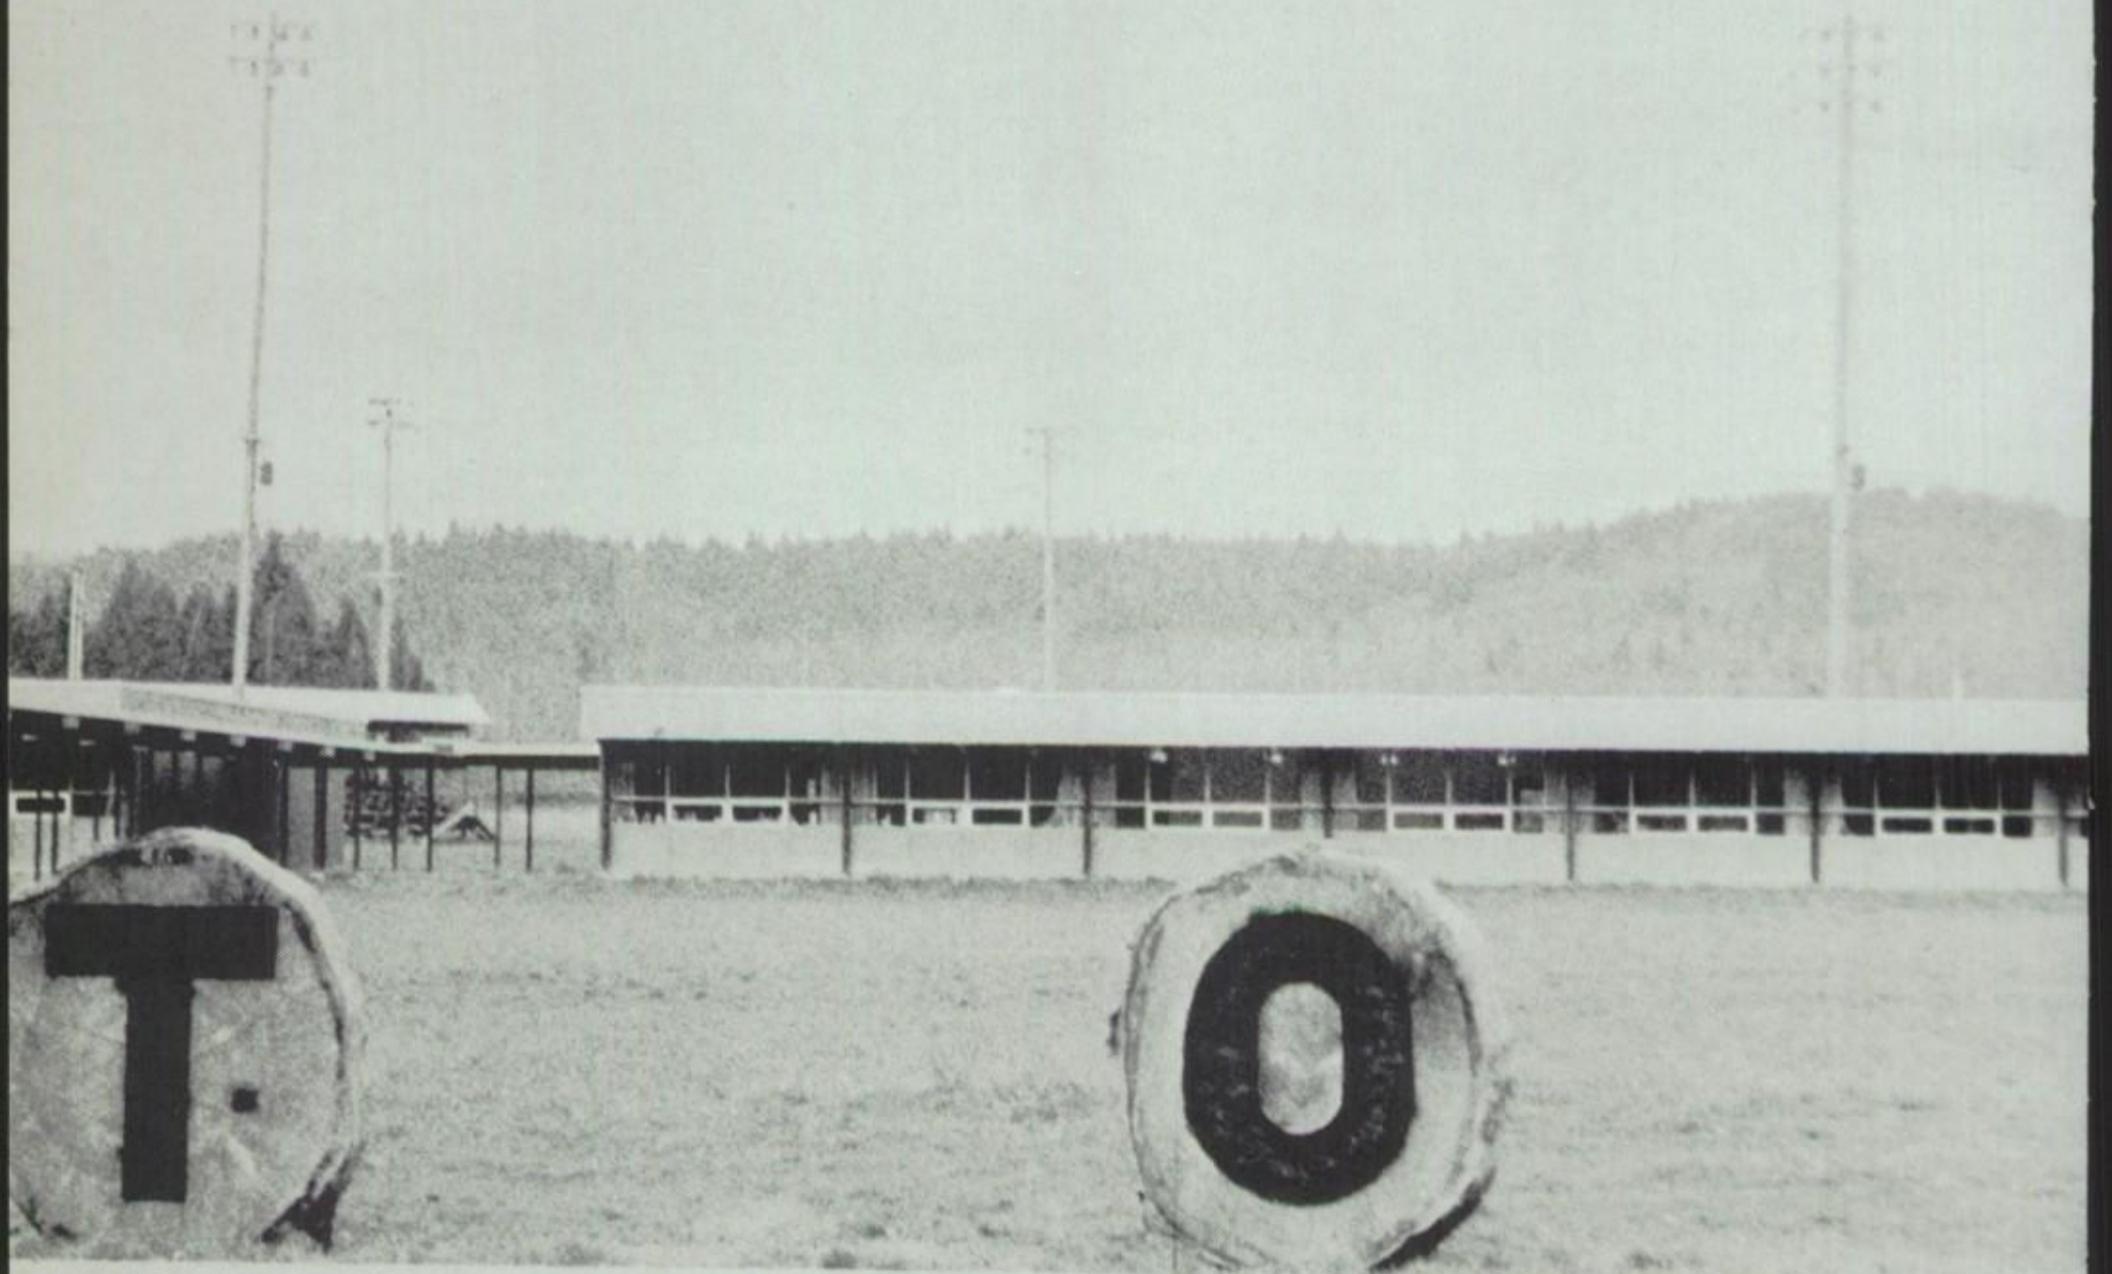

**TOLO 1967
TOLT HIGH SCHOOL
CARNATION, WASHINGTON**

Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and look back without regrets.

Be yourself --- but be your best self. Dare to be different and to follow your own stars. And don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

Forget what you have done for your friends, and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

When you are faced with a decision, make that decision as wisely as possible --- then forget it. The moment of absolute certainty never arrives.

And above all, remember that God helps those who help themselves. Act as if everything depended upon you, and pray as if everything depended upon God.

FACULTY

Everything in this world that runs smoothly has a strong backbone that pushes constantly for success. Tolt High School has this important backbone it needs, and it lies in our enlarged and helpful faculty.

This year our faculty has added three new teachers, and two new classes-Economics and German II. For the first time this year we

have gained a speech therapist and a counselor.

With the combination of our returning faculty, new teachers, new classes, and new help, our school has that backbone to make Tolt High School, an even bigger and better success.

"OUR STUDENT GOVERNMENT"

This last year Tolt has proven itself as an Associated Student Body by the work it has done under the leadership of Tom Thompson, Roger Powell, Carolyn Pitcher and Jeanie Quaale. They set their goals for achievement high and worked extra hard to have successful events such as the spaghetti dinner and the carnival.

With the earnings the Student Body received they were able to purchase a new scoreboard, Demon posters, and to support a sale of newly designed sweatshirts.

HONOR SOCIETY

The purpose of the Honor Society is to promote academic excellence and to award recognition to those students who maintain a high scholastic record. Pins are awarded to members as a badge of achievement. The members work together on several money making projects to raise a scholarship fund to award to a deserving senior.

The advisor Mr. Gibbs, guides the club in its activities. Each semester the group is allowed to take a trip. The first semester trip is used in conjunction with a week-end for a three day camping trip.

Each year they gain more of a part in the high school.

"KNIGHTS OF THE PADDLE"

This year the service club christened themselves with a new name. This being, "The Knights of the Paddle." Along with their new name they received the privilege and the symbol of maintaining order at all games as well as performing regular services for Tolt Hi.

"THE BAND GROWS AND REORGANIZES"

This year the band organized into a club. They elected their slate of officers and established a constitution. This club had to be passed and accepted by the Student Council and in another year it should be set up better and running more efficiently. With the band running as a club all details can be taken care of effectively and quickly to produce an even better band.

Bloom, Pat

Buckman, Fred
Causland, Randy

With the help of their advisors, Mr. Albrecht and Mr. Bennett, the Sophomore class became more of a part of Tolt.

They had a busy year because of their activities, which included selling programs at both the football and basketball games; buying their class rings, which they were proud of because the rings symbolized their class and school; and continuing their class project by building the frames for the canvas flats they bought during their first year at Tolt.

With two years behind them, they are more than ready to begin their Junior year.

JUNIORS '68'

In store for the Juniors is a great future, behind them is a successful past.

As they watch each class advance they will be thinking of their future responsibility without a thought to their past success.

On their minds will be hopes for a "Highly Rated School" with the Student Body and grounds to match.

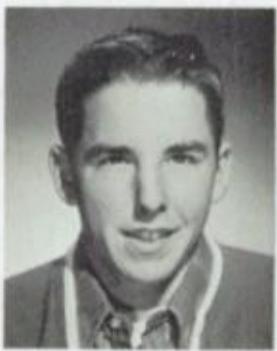

Their ideas will be built with hard work and fun.

They will never regret their years as Juniors nor will they forget their advisors, Miss Trump and Mr. Gibbs.

"LOOK BACKWARD WITH PLEASURE, FORWARD WITH HOPE"

There are many ways to express the Seniors, but not enough to explain how much they've worked and how much they've entered into our lives and our school.

They have been taken for granted in many ways. When they leave there will be a dent embedded upon our doors only to be filled by the oncoming classes. It may take one class to fill that dent but most often it will take the whole student body and it should.

The Seniors have given us many things, someday they will return if only for a visit. When they do, they will look back upon the grandest years of their lives.

Some People Think Our Business Is Trees

That's only half the story

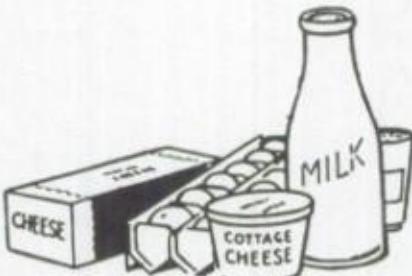

A dynamic leader in the forest products industry, Weyerhaeuser has grown from a regional lumber producer into an international organization with plants in 27 states and 12 foreign countries. At the same time, Weyerhaeuser has refined its methods of scientific forest management to insure a perpetual harvest of the highest quality raw materials for its wide range of products. Today Weyerhaeuser continues to make lumber and plywood, but it also makes paper, plastics and chemicals which are as new as tomorrow. Whatever your plans or interests are you should consider Weyerhaeuser—the growing company in a growing industry.

IN MEMORIAM

"A SLUMBER DID MY SPIRIT SEAL"

A slumber did my spirit seal;
I had no human fears:
She seemed a thing that could not feel
The touch of earthly years.

No motion has she now, no force;
She neither hears nor sees;
Rolled round in earth's diurnal course,
With rocks, and stones, and trees.

OF SAM FRANKLIN
1950-1966
